

Introduction

This is an observation checklist. Record what you see. Follow the guidance provided. The map of the site to be observed will be provided. You will spend 30 minutes in each spaces. You will work in pairs.

Complete the questions for each space based on a site visit.

This online observation tool is for use as part of course work. Participation is a requirement of the course. Anonymity will be maintained as students are not required to provide their names or other identifiers as part of their responses.

Relevant data collected will be drawn on for the purpose of articulating this research in appropriate academic publications, conference presentations, lecture resourcing. Due acknowledgement will be given to the year group.

Questions: If you have any queries please contact Dory Reeves in room 411. Email is d.reeves@auckland.ac.nz
